Book Donation Drive

From now until Nov. 11, Postal Connections in Atwater and Merced are partnering with Operation Paperback for a month-long, community-wide book donation drive to gather gently used paperback books to send to active troops and veterans in need. Postal Connections in both Merced and Atwater will be accepting donations from local residents, businesses and community members to send to troops serving overseas and on U.S. soil. Books must be gently used paperbacks that are in good condition.
